Four-bedroom cottage in a Peak District village, with two reception rooms and modern shower room. Front garden, plus separate garden plot with parking, garage, and shed. No upward chain. A home with character and potential.

John German

Pales Corner is a four-bedroom cottage located within the Peak District National Park. The property offers well-proportioned accommodation including two reception rooms and a recently fitted modern ground floor shower room. While modernisation is required, it presents a strong opportunity for a couple or family looking to create a home to their own taste in a desirable village setting.

To the front of the property is a beautifully presented garden, offering an attractive outlook and useful outdoor space. A short walk from the property is an additional garden plot, which includes a driveway providing off-street parking, a single detached garage, timber shed, and a vegetable plot/planting area. This space also offers potential for further use or development, subject to the necessary planning permissions. Offered with no upward chain, Pales Corner combines character, space, and potential in a sought-after Peak District location.

Calton is a small rural village located in the Staffordshire Moorlands, within the Peak District National Park, surrounded by open countryside and farmland. It offers a quiet, village setting while still being within reach of nearby towns such as Ashbourne, Leek, and Cheadle. The area is known for its access to walking routes and suited to those seeking a peaceful, countryside environment with good access to outdoor leisure opportunities.

A uPVC front door opens into the entrance porch, which leads through a wooden door into the reception dining room.

The dining room includes a staircase to the first floor with a useful understairs storage cupboard. A large fireplace with oak lintel and tiled hearth houses an oil-fired burner that also controls the central heating. There is also access to the electric consumer unit, with an opening leading into the kitchen and an opening through to the sitting room.

The sitting room is a generously sized reception space featuring an open fire, exposed beams, and uPVC windows to the front.

The kitchen is fitted with rolled-edge preparation surfaces, an inset stainless steel sink with drainer, and a chrome mixer tap with tiled splashbacks. There is a range of base cupboards, appliance space and plumbing for a dishwasher and fridge, as well as space for a freestanding oven with four-ring electric hob and extractor fan over. Matching wall-mounted units provide additional storage. A door leads from the kitchen into the ground floor shower room.

The modern and recently fitted shower room is fitted with a white suite comprising a pedestal wash hand basin with chrome mixer tap, low flush WC, and a large double shower enclosure with an electric shower and rainfall shower head. Additional features include chrome ladder-style towel rail, built-in cupboards with appliance space and plumbing for a washing machine, and an airing cupboard housing the hot water tank. An electric extractor fan is also installed.

On the first floor, the landing provides access to all four bedrooms.

The first floor offers four bedrooms in total. Bedrooms one and two are both doubles, with bedroom two featuring a useful overstairs storage cupboard. Bedrooms three and four are generously sized singles; bedroom three also includes overstairs storage, while bedroom four benefits from fitted wardrobes and additional built-in cupboards.

To the front of the property is a well-maintained and attractively presented garden, featuring block-paved seating areas, a laid lawn, and mature herbaceous and flowering borders enclosed by a stone wall. A coal bunker is also located here. A separate outbuilding provides additional storage with power and lighting, suitable for use as a garden store or workshop.

A short walk from the property is an additional garden plot which includes a driveway providing off-street parking, a single detached garage, a timber shed, and a vegetable plot area. This space offers potential for further development, subject to the necessary planning permissions.
