The Property

This three bedroom home is located in quite possibly one of the best spots in the village. The property is tucked away at the back of this select development and enjoys a super plot. Quiet and safe with no passing traffic. As you enter this immaculate residence you are immediately struck by the light and space. The entrance hall allows access to all the living spaces. The sitting/dining room is to the rear of this lovely home and has glazed French style doors right across the room allowing light to flood in and giving access to the private and beautiful garden. The kitchen space has a good range of fitted wall and base units, with space for appliances. A downstairs cloakroom concludes the ground floor. The first-floor accommodation is once again generous with two double bedrooms, the principal of which has an ensuite shower room. The third single bedroom is currently being used as a home office. The family bathroom completes the internal accommodation.

Outside

The front garden has pretty post and rail fencing and is planted with a number of mature shrubs. There is side pedestrian access via the gated car port leading to the rear garden. Special note must be made of the space, privacy and exceptional planting making this area extremely attractive and private in the summer

months. The paved terraced provides a lovely area to entertain. This complete package is in lovely order throughout.
