## Tiddington, Oxfordshire

Set in an enviable position on a peaceful no-through road, this beautifully presented three-bedroom detached home offers the perfect blend of rural tranquillity and modern family living.

Thoughtfully extended and improved by the current owners, the property has been reconfigured throughout to maximise space and natural light. The result is a stylish, free-flowing layout ideal for both everyday living and entertaining.

Step through the front door into a bright and welcoming entrance hall, which leads directly into a generous sitting room. This flows seamlessly into the dining area and contemporary newly fitted kitchen — all overlooking the immaculate rear garden and the open countryside beyond. The views are truly a highlight, offering a picture-perfect backdrop to family life.

Beyond the main living areas, the inner hallway leads to a useful utility space, a modern ground floor shower room, and internal access to a sizeable garage.

Upstairs, you'll find three well-proportioned bedrooms and a stylish family bathroom, all finished to a high standard. A pull-down ladder provides easy access to a fully boarded attic, offering excellent additional storage space.

### Outside

The rear garden is a real sanctuary — a beautifully kept, expansive space backing onto open fields and teeming with local wildlife. From spring to autumn, expect occasional visits from a friendly herd of cows in the adjacent pasture, adding a charming rural character to the setting. A well-maintained shed sits tucked away in one corner, perfect for storing tools, bikes, or garden furniture or as a home office. Whether it's morning coffee with a view or summer evenings in peaceful seclusion, this garden is made for relaxation.

To the front, a private driveway provides off-road parking for two to three vehicles, alongside access to the garage.
