Welcome to Verwood, a charming town with a real sense of community

Verwood is a vibrant town with the charm of a small village community. Bordering the beautiful New Forest, it is surrounded by woods and heathland and is within easy reach of the stunning sandy beaches on the south coast.

At its centre is Ferrets Green, a popular meeting place with a parade of shops including local butchers, Costa Coffee and The Old Pottery. A large Morrisons Store is within half a mile of the centre and the town lies just a few miles from Ringwood and Ferndown with a choice of Waitrose, Tesco and Sainsbury's.

With live music, theatre, children's activities and a cinema the Verwood Hub is a thriving community centre with something to suit all ages. For outdoor fun, Potterne Park is on the southern edge of Verwood and has fantastic facilities including large playing fields, a children's play area, tennis courts and a skatepark.

Three miles away is Moors Valley Country Park and Golf Course with 1000 acres of park and forest to explore by foot, bike or even via their treetop trails.

Verwood enjoys excellent road links and is a mere 5 miles from the A31 artery at Ringwood leading to Bournemouth, Poole and Southampton. The nearest train station is at Christchurch and Bournemouth Airport is just a 20 minute car ride away.

This is a delightful modern town with good local facilities and a strong community spirit, ideally located for enjoying all that Dorset and Hampshire has to offer.

Nature as your neighbour

Here at Potters Wood, you can also enjoy your own corner of the countryside in the site's designated Suitable Alternative Natural Greenspace (SANG). Official title aside, it offers delightful surroundings to walk, cycle or relax, just a stone's throw from your door.

You can enjoy the stillness and the sounds of the nearby ponds, stroll through the woods and learn about the wildlife that live there. There's plenty of space to run and roam, whether you've got four legs or two. Better still, this pocket park helps to reduce noise and air pollution, giving you the peace and quiet you deserve.

PENNYFARTHING
Builders of Quality Homes

Discover our biodiversity plan

POTTERS WOOD

EDMONDSHAM ROAD | VERWOOD | BH31 7PB

“Biodiversity mitigation and enhancement is at the forefront of the design and construction of Potters Wood”.

Matt Dukes, Managing Director.

From open spaces designed to protect and support natural habitats...

...to biodiversity enhancement measures allowing protected species to thrive.

Badgers

The woodland edge and grassland will be planted with favoured food plants of badgers, including apple and plum varieties of fruit tree.

Bats

The retention of hedgerows, mature oak trees and public open space will allow bats to thrive. Lighting schemes will be implemented across the development to ensure minimal disturbance to bat foraging and commuting.

Dormice

Dormice nesting will continue in and amongst patches of scrub, tree and hedgerow throughout the SANG land. Habitats are more active at night.

Reptiles

Any reptiles encountered will be relocated to an enhanced wildflower grassland and native scrub habitat in the north-western corner of the development.

Bat boxes

Bat boxes will be installed on mature trees and buildings throughout the development.

Bird boxes

A range of bird boxes will be placed on mature trees and buildings within the development, from nest boxes and sparrow terraces to wren boxes and a barn owl box.

Hedgehogs

Our landscape designs provide large areas of suitable foraging habitat for hedgehogs. Small access holes will be placed in gravel boards below fence panels to allow hedgehog access to gardens.
