Taverners Road, Peterborough

The property is currently tenanted, providing immediate rental income, and offers well-proportioned accommodation throughout. While the home would benefit from minor modernisation, it offers a solid and practical layout, allowing a purchaser to add their own personal touches and create a comfortable family home over time. A key highlight is the newly replaced roof (June 2025), offering peace of mind and reducing future maintenance costs - a significant improvement that adds long-term value to the property. The accommodation briefly comprises a living room, kitchen/dining area, and three bedrooms, along with a family bathroom. Externally, the property benefits from typical outdoor space expected of a home of this type.
