### LIVE IN THE HEART OF A MODERN TOWN SURROUNDED BY THE HISTORIC GARDEN OF ENGLAND.

Maidstone is the regional focus for culture, entertainment, leisure and retail, hosting a huge variety of independent shops, designer boutiques, artisan stalls and high-end department stores within its modern shopping centres, market buildings and historic pedestrianised streets.

After a busy day's shopping you'll find food and drink options to suit every taste across the town's eclectic mix of restaurants and eateries; from well-known chains to cosy independent bistros and bustling gastropubs. With home just a walk away, you can easily take advantage of Maidstone's thriving nightlife, with a variety of lively bars, pubs and nightclubs on offer. Those more culturally inclined might enjoy the wide range of drama, comedy and music at the Hazlitt Theatre, with shows for all ages, or a visit to the town's Lockmeadow Leisure complex.

For simple relaxation, 440-acre Mote Park, with its diversity of habitats, lakeside activities, watersports centre and extensive play areas, is popular with families and walkers alike – and it plays host to a number of music events throughout the summer season.

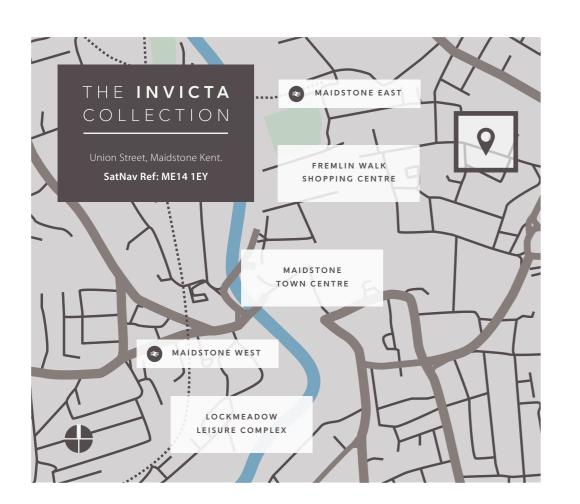

Outdoor enthusiasts will find much to love in and around Maidstone. The surrounding area is host to many attractive villages, golf courses, parks, social groups and beautiful woodland walks, as well as a wide range of activities across the country houses, gardens, open farms and nature reserves of the Kent Downs Area Of Outstanding Natural Beauty.

Several well-regarded primary schools are within a 2.5-mile radius, including Brunswick House Primary School just outside the centre, rated 'Good' by Oftsed, St John's Church of England Primary and Roseacre Junior School on the east side of town, both rated 'Outstanding'. Secondary education nearby is also exceptional – Valley Park School and the adjacent Invicta Grammar (for Girls) are both rated 'Outstanding', as is Maidstone Grammar School (for boys), and there is a number of successful comprehensive schools close-by.

For older children, the MidKent College Maidstone (based on the Oakwood Park complex), is one of the largest of its kind, offering a huge range of further education courses and vocational qualifications for students aged 16 upwards, while the University of Kent and Canterbury Christ Church University both offer excellent degree level choices in modern campuses at Medway and other centres across the county.

Although the The Invicta Collection enjoys all the very best offerings from the centre of Maidstone – it is also perfectly positioned for travel further afield. Rail commuters can reach central London in around an hour from Maidstone's railways stations - both within an easy walk of Union Street, and being conveniently located near the M20 – which leads easily onto the M25 – means car journeys for both work and leisure are easy.
