Investing in Our Local Community

Investing in people is one of Fernham Homes company values. We are proud to partner with Spadework, which offers support to adults with learning disabilities, people experiencing problems with their mental health and those living with early-onset dementia. The charity, just a mile from our head office, has been running for 40 years and has a café, garden centre and farm shop where trainees (those who use the services) gain practical and social skills across horticulture, creativity, cooking, woodwork and more.

We've already raised £60,000 for Spadework in our first year, exceeding our pledge to raise £10,000 annually for three years. We also provide hands-on help – everyone at Fernham has 4 volunteering days a year to donate their time and expertise.
