Siddington

Siddington is a thriving community south of Cirencester. There is something for everyone – clubs to join, as well as a wonderful pub and an active church. We are one of the few villages lucky enough to have a shop, Post Office and well supported primary school, a village ready to meet all your needs.

The whole village turns out for our big events, from summer fetes to carol singing, and from the annual Grow and Show to quiz nights in the Village Hall. We love the countryside around our homes. Many of us enjoy walking through the meadows and along the canal path and the banks of the River Churn.

Ideally situated for the business commuter with good access to all main road networks in the south west and a mainline rail link to London Paddington in the neighbouring village of Kemble a daily commuter service.
