A comfortable Village home in a small courtyard development located on the fringes of this very popular Wylde Valley Village. Entrance Lobby, Hall, Cloakroom, Pleasant Sitting/Dining Room, Fitted Kitchen, First Floor Landing, Bathroom & 3 Bedrooms, 2 Allocated Parking Spaces and Small Front Garden, LPG Gas-fired Central Heating to radiators & Sealed-Unit Double Glazing.

Accommodation

THE PROPERTY forms part of a small imaginatively designed courtyard development created from former farm buildings during the mid 1990's and incorporating a fine open-fronted Grade II listed timber-framed Barn. 2 Campbell Place has attractive brick and decorative clad elevations under a slate roof and provides comfortable well-planned accommodation which benefits from sealed unit double glazing together with LPG Gas-fired central heating to radiators and includes a wealth of exposed structural timberwork. This is a rare opportunity to acquire a delightful village property combining the charm of a period cottage with the convenience of a modern home which would suit family occupation or retirement. As village properties of this nature are currently scarce the Agents strongly advise an early accompanied internal inspection in order to avoid disappointment.

LOCATION

Campbell Place is an exclusive courtyard development approached off the Norton Road on the fringes of this small and welcoming community surrounded by lovely open Wiltshire countryside, officially classified as an Area of Outstanding Natural Beauty which keen cyclists and ramblers alike are sure to find highly appealing. Sutton Veny is a small village with many different styles of property whilst the village facilities including the highly regarded Sutton Veny C of E Primary School and the impressive Parish Church of St John The Evangelist built in 1866 in memory of Joseph Everett, with its adjacent ANZAC Commonwealth war graves. Other amenities include a theatre and library, hospital and clinics and a railway station. Rail users enjoy regular services to Salisbury, and then direct to London Waterloo, and to Bath with a direct line on to South Wales. Other main centres in the area including Westbury, Frome, Trowbridge, Bath and Salisbury are all within a comfortable driving distance as are the various Salisbury Plain military bases whilst the A36, A350 and A303 trunk routes provide swift access throughout the West Country and further afield to London via the A303/M3.
