The comfortable accommodation is arranged on 3 floors and benefits from Economy 7 Electric heating together with Upvc sealed-unit double glazing whilst in 2021 all fascias, soffits and 2nd floor dormer window surrounds were replaced with Upvc. The property boasts a generously proportioned plot and will appeal to a family seeking a home close to the everyday facilities of a friendly and active Wylde Valley village community and as homes of this nature are scarce the Agents recommend an early accompanied internal inspection in order to avoid disappointment.

LOCATION

Ideal for someone wishing to enjoy country living, Greenhill Place is a small exclusive close of 12 homes nicely tucked away yet within easy reach of all village amenities. Codford was bypassed during the early 1990's and now attracts little by way of through traffic although regular 'buses to Warminster and Salisbury stop nearby. The village has a highly regarded Primary School and Pre-School - both rated Good by Ofsted by Ofsted in 2023, two Churches - St Peter's and century's old St Mary's with adjacent ANZAC Commonwealth war graves, a Doctor's clinic and dispensary, a Veterinarian practice, a Café and a nearby Garage/Filling Station which hosts a Budgens convenience store. Codford also boasts the popular Woolstore Theatre and we understand Wessex Internet have recently installed ultra-fast full fibre broadband in the village. Warminster 7 miles to the West has excellent shopping facilities - 3 supermarkets including a Waitrose and a host of independent shops, eateries and cafes and a wide range of other amenities which include a theatre and library, clinics and hospital, and a beautiful town park. Rail users enjoy regular services to Salisbury, and then direct to London Waterloo, and to Bath with a direct line on to South Wales. Other centres in the area including Westbury, Trowbridge, Frome and Salisbury are all within easy driving distance as are the various Salisbury Plain military bases. The A36, A350 and A303 trunk routes provide swift communications throughout the West Country and further afield to London via the A303/M3 whilst Bristol, Bournemouth and Southampton airports are each just over an hour by road.
