Situation

The village of West Lavington offers a good range of every day facilities including a village shop, All Saints Norman Church, a vineyard and a popular public house called The Churchill Arms. The thriving market town of Devizes boasts a large selection of shops and restaurants, a thriving weekly produce and antiques market, larger supermarkets, a leisure centre and independent shops. There is also a vibrant live music scene and a variety of festivals and carnivals taking place across the year. Communications are excellent in the area with mainline railway stations up to London located at Pewsey around 13 miles to the east, Westbury circa 9.5 miles and Chippenham slightly further to the west. Access to either the M4 or M3 is a short distance away.

The major centres of Marlborough, Bath and Salisbury are all within a twenty five mile radius. The M3/M4 also gives easy access to the motorway network and to Heathrow and Gatwick airports. Schooling is good locally, with several primary schools on the doorstep including DAPs (Dauntsey's Aid Primary) and a secondary school in Market Lavington. In the private sector there are outstanding schools with the renowned Dauntsey's School set just up the road, Marlborough College 19 miles away and St Margaret's and St Mary's both in Calne.
