This extended family home (approaching 1800sqft) begins with an impressively large entrance hall with a refitted downstairs cloakroom. A 15'10" sitting room overlooks a playing field to the front, has a feature 'Minster style' stone fireplace and French doors into a spacious garden room. There is a delightful refitted kitchen with a 'Rangemaster' dual fuel oven, a painted handmade dresser and corner unit. This room is open to a separate breakfast room to the front and also has an opening into a useful utility room with matching units to the kitchen and space for further appliances. On the 1st floor there is access up to the part boarded loft with a pull down ladder and 4 good sized bedrooms. The principal bedroom has a walk in dressing room and French doors on to a charming balcony- an ideal spot to relax and take in the incredible views of the historic Roundway Hill (where the Cavaliers fought The Roundheads at The Battle Of Roundway). There is a stylish refitted en suite shower room with a double width shower and tiled floor and a luxurious family bathroom on 2 levels with a roll top bath with views over the garden and countryside beyond.

The exterior of this house is equally beautifully maintained. A well kept front lawn is set behind a small picket fence with a dovecote. A gravelled driveway provides off road parking for 3 cars. A side gate leads around to an extended Indian Sandstone terrace and pathway with pergolas and a summer house with light and power. Neatly trimmed box hedging accompanies pretty well stocked borders and flower beds awash with colour in the summer. A large double workshop is complemented by a greenhouse, a shed, potting shed, and a small outbuilding with light and power.
