On the first floor there are 2/3 bedrooms alongside a study and additional family bathroom,. Various access points in to the eaves provides useful storage.

Outside, there is driveway parking leading to a 16'10" tandem garage with an extended carport behind it. There are a couple of older single storey outbuildings (offering potential change of use), with a central WC. At the far end of the sizeable lawned garden is a detached double garage/workshop with light and power.
