Offered with no onward chain, this charming individual property is packed with internal and external character features whilst complemented by all the modern comforts you would expect to find in a modern family home. Internally, an entrance lobby opens through to a 23ft open plan kitchen/dining room with a range of quality fitted units with granite worktops and upstands, herringbone flooring, integrated dish washer and a Range electric cooker. A magnificent Inglenook fireplace with log burning stove takes centre stage in the dining area. Set off the dining area is a dual aspect snug/family room and a door with steps down to a large storage cellar/utility area (that houses the oil fired boiler installed in 2022 and has plumbing for a washing machine). Accessed via a half landing is a light sitting room with an exposed ceiling beam and further log burner. Three double bedrooms, all with their own individual character and charm are located on the first floor, alongside the smart refitted family bathroom. The second bedroom features an en suite shower room. On the top floor is a generous main bedroom with a walk-through dressing area and a lovely en suite. The landing and main bedroom windows take in the incredible far reaching vista across to the Westbury Downs.

Outside, there is a gated shared driveway with Bell Cottage and The Brewhouse, with The Bell benefitting from 3 allocated parking spaces. An Indian sandstone patio and paved walkway leads down to an enclosed rear garden with a gravelled seating area, newly planted red robin bushes and a further area of garden that has been left for a buyer to landscape to their own requirements. A useful brick store completes the property.
