A cleverly re-purposed under-stair seating area with storage adds both practicality and purpose. The space flows seamlessly into the open-plan kitchen/dining room, which offers ample room for family dining and opens onto the landscaped rear garden through French patio doors. The modern kitchen is well-equipped with a range of floor and wall-mounted units, an integral slimline dishwasher, electric oven, gas-ring hob, and fridge/freezer.

Upstairs, the landing with an airing cupboard leads to the principal bedroom, a well-sized double with over-stair storage. A second bedroom and a stylish family bathroom with a shower over the bath complete the first floor.

Externally, the beautifully designed, landscaped rear garden features a tranquil water feature, seating areas, a garden shed, and gated access to the driveway, which provides parking for two vehicles. There is also a smart re-designed front garden.
