'Belle Ville' is an outstanding family home that has been lovingly renovated and sympathetically extended by the current owners, creating an exciting home that perfectly blends the existing old period features with an exceptional modern finish.

This attractive Grade II Listed home has been substantially enhanced through a series of extensions but retains a wonderful 'homely' feel of the original cottage. The whole house is light and airy with an adaptable layout that could suit multi generational living or families with older children. Either side of the entrance hall are two charming reception rooms with exposed beams (a sitting room and snug) and a further door through to a stunning 28ft garden room. This has a continuation of the stone flooring and fine views. There is a new cloakroom, original exposed wall timbering and a glazed roof. A large dual aspect double bedroom is off to the right hand side with its own luxurious en suite with tiled flooring and a double width shower with 'rainfall' shower head. Glass panelled oak double doors from the garden room open into a dining/family room with engineered oak flooring. This triple aspect room has bi folding doors to the rear and French doors to the side with a step up to the elegant new kitchen with under floor heating, granite worktops, a breakfast bar, stone flooring, a 'Neff' 5 ring induction hob, integrated dish washer and full height fridge and freezer. The utility room has a washing machine and tumble dryer included. Two separate staircases ascend to the bedrooms. Via 1 staircase are the main bedroom with fitted wardrobes, a flexible 5th bedroom/study and a beautiful bathroom with a shower and roll top bath. Via the 2nd, are 2 more double bedrooms complemented by a newly created shower room.

Outside, a large gravelled driveway provides ample parking and leads to the timber clad garage. The large patio sun terrace with lights, has steps up to the wonderful newly turfed lawn with countryside views beyond.
