'Kajha' is a unique 1950s built single storey home that is ideal for anyone wanting a bit of tranquillity, woodland and countryside all on the doorstep. Set in a commanding elevated position, the property has a good sized layout with an entrance hall with original parquet flooring having oak internal doors leading into an impressive 25ft triple aspect kitchen/dining/family room with tiled flooring, French doors and views over the tree canopy. The kitchen is well equipped with ample cupboards, 2 integrated fridges, a dishwasher, freezer, a 'Rangemaster' with 5 ring induction hob, and granite worktops. There is a dual aspect sitting room with a log burner and attractive granite fireplace. The main bedroom has superb views, a cupboard and it's own stylish refitted en suite shower room. The second double bedroom is also dual aspect and has access to the large loft space (with great potential for conversion). Completing the interior is a contemporary bathroom with underfloor heating and a useful utility room.

Outside, a 5 bar gate opens through to a driveway with parking for up to 8 cars and a double garage with light and power (one half is currently a workshop). There are various spots to sit and enjoy the amazing views over the excellent private gardens; which feature a greenhouse, a large shed, lawns with planted borders, a chicken run and coop, a fun swing seat and 2 further seated areas in the clearing with a fire pit. A meandering walkway goes through a bluebell and snow drop wood down to a small stream. There is a separate vegetable growing area with raised beds and a fruit cage, with a wide variety of trees such as willows, acers, quince, pear, paperbark maple and beech.
