Plot 19 is a beautifully proportioned three-bedroom semi-detached home at White Horse Valley, offering modern design, energy efficiency, and thoughtful finishes throughout. With generous living space and a practical layout, this home is perfect for contemporary family living.

The heart of the home is the spacious kitchen/dining room, fitted with a luxury kitchen and fully integrated Neff appliances. Purchasers may choose from a range of quality finishes (depending on the stage of construction, upgrades available). To the rear, a bright and airy living room opens directly onto the garden through French doors, creating a seamless flow between indoors and outdoors.

Upstairs, the main bedroom benefits from its own en-suite with stylish Villeroy & Boch sanitary ware, while the additional two bedrooms are well-sized, offering flexibility for family, guests, or a home office. The family bathroom features the same high-quality finish, with a bath and shower over.

This home is warmed by an efficient air source heat pump, with underfloor heating to the ground floor and radiators to the first floor. Individual room thermostats allow precise comfort control and LED lighting is installed throughout, including recessed downlights to the kitchen and bathrooms, while contemporary oak ladder-style internal doors add a stylish finish.

Externally, the property enjoys a planted/turfed front garden, with the rear garden left levelled and ready for personal landscaping. A single garage provides additional storage or parking, along with allocated parking. An EV charging cable is also included.

For peace of mind, the property also comes with an LABC 10-year warranty and a 2-year Ashford Homes Aftercare. A range of upgrades are available on request to further tailor your home to your lifestyle.

This development occupies a wonderful rural position on the edge of the village of Bratton, with rural views towards Salisbury Plain and surrounding countryside. The village is well served by amenities including a primary school, a public house, post office/general store, two churches, a GP surgery and a Pre-school.
