Spring Cottage is a beautifully presented three-bedroom semi-detached cottage, enjoying attractive rural views to the front and a generous, private garden to the rear. The property has undergone extensive interior remodelling in recent years, resulting in a thoughtfully arranged home that blends period character with modern comfort.

The ground floor offers flexible and well-proportioned living accommodation. To the front of the house, the main sitting/reception room is a warm and inviting space, featuring a log burner set within an exposed brick fireplace, creating an attractive focal point. A further reception/dining room provides additional versatility for family living or entertaining. To the rear, the spacious kitchen/dining room forms the heart of the home, complete with a log burner and French doors opening directly onto the garden, allowing for excellent natural light and a seamless flow to the outdoor space. Further ground floor accommodation includes a study, utility room, and entrance hall, offering excellent practicality and flexibility.

The first floor comprises three well-proportioned bedrooms, all arranged around a central landing, together with a beautifully finished family bathroom.

Outside, the property benefits from a paved front driveway, providing off-street parking for at least two vehicles, complemented by a low-maintenance landscaped front garden. To the rear, the generous and private garden is a particular highlight, featuring a paved patio area directly outside the French doors, with steps leading up to a mainly lawned garden interspersed with established ornamental beds, mature trees, and shrubs. A timber garden shed located at the end of the garden offers useful additional storage.

Spring Cottage offers an appealing combination of character, space, and modern updates, set within a desirable village location, making it an ideal home for those seeking countryside living with comfort and charm.
