Chewton Oaks

Chewton Oaks is an exclusive development of 10 impressive two and three-bed apartments. Tuakana have gone to great lengths to consider the apartments, grounds and communal spaces to ensure that you not only enjoy your own space, but can share a carefully-crafted communal environment too.

The name Chewton Oaks was derived from its beautiful location on the edge of Chewton Common, which is predominantly populated by oak trees. This wonderful setting reaps the benefits of being on the edge of the New Forest, with its villages, scenery, walks and extensive facilities - whilst also having the convenience of the local amenities on offer in Walkford, Highcliffe, and the nearby towns. Topping it all off, Chewton Oaks is moments away from the blissful South Coast beaches.

Transport routes are right on your doorstep, with a convenient bus route nearby on Ringwood Road. The main line South West Train stations at Hinton Admiral and New Milton make London Waterloo approximately 2 hours away.

The Local Area...

A stones throw away from the New Forest National Park and the South Coast Beaches with all the amenities of local towns and cities on your doorstep, Chewton Oaks is perfectly located.

A short walk from your door at Chewton Oaks takes you to the woodland of Chewton Common and the beaches of Highcliffe and Barton. The Walkford Brook flows through both the Chewton Glen Country Club grounds and Chewton Bunny Nature Reserve, down to Highcliffe Beach. All are just minutes from your home.

Highcliffe Castle is another highlight of the area and affords a fantastic starting point for a walk through Steamer Nature Reserve and along the sandy beach to Friars Cliff and Avon Beach. The Noisy Lobster provides wonderful all day dining.

Highcliffe offers the convenience of all your daily needs including grocery stores, a post office, dentist and medical centre. There are also specialist retailers and a wide range of pubs, cafés and restaurants. As for out-of-town shopping facilities, there is a selection of larger supermarkets (Waitrose, Tesco, Sainsbury's, Lidl) all within 5 miles. The UK's largest shopping park, Castlepoint, is located approximately 20 minutes' drive away in Bournemouth. Within 40 minutes you can be in the city of Southampton with all it has to offer.

Local towns of interest include Christchurch, with its popular High Street, Castle, Priory and many wonderful restaurants. Street markets, food festivals and outdoor entertainment at The Quomps park beside the River Stour take place throughout the year. The Quomps also boasts splash and play parks for children as well as boating facilities on the river Avon.

Travelling east from Chewton Oaks takes you to the picturesque Georgian market town of Lymington. As well as being surrounded by outstanding natural beauty spots, Lymington boasts two large marinas, many independent shops, cafés and restaurants.

To the west is Mudeford, home to some of the most exclusive luxury beach huts in the country, which are often sold for upwards of £250,000 each. The beach huts, along with sandy beaches and waterfront restaurants are located on the beautiful spit at Hengistbury Head. They can be accessed via a short trip on the ferry from Mudeford or a walk through the Hengistbury Head Nature Reserve. If you are feeling tired then there is always the Land Train to whisk you back!

If you are looking for a change from beach life, Chewton Oaks is near the edge of the New Forest National park with fantastic walks and cycle routes, vistas, traditional pubs and equestrian activities.

There are a wide range of local sporting facilities, including Two Riversmeet Leisure Centre, Christchurch Tennis Club and New Milton Football Club at Fawcetts Field. There are the renowned golf courses at Highcliffe and Barton on Sea, and world class sailing facilities along the coast. For the young at heart, why not try surfing or paddle boarding at Highcliffe Beach, or even wind or kite surfing at Avon Beach!

Chewton Oaks

The shared spaces are really what set this development apart.

Chewton Oaks has a strong arts and crafts design. Entering the property brings you into the double height entrance hall, with chevron oak flooring and timber panelling giving this space a classic country hotel look. These, paired with the elaborate cornice and an impressive chandelier create a real sense of grandeur and the feeling of being in one large Manor House. The grounds have been beautifully landscaped to create a usable communal space, one that is both practical and desirable. The ground floor apartments have the added luxury of private gardens, with patio and a lawn area. Apartments five through ten include their own private summerhouse within the communal garden. This is an opportunity unique to Chewton Oaks; a chance to own an upstairs apartment whilst also having your own private external space. The formal lawns with herbaceous borders lead to a row of pleached carpinus betulus trees, while the orchard beyond boasts wild flower planting beneath. Ambient external lighting guides you to the main entrance and around the grounds.

Chewton Oaks comes with a ten year CRL warranty giving you the peace of mind that you should expect from your new home.

Our Philosophy

At the core of our company and Chewton Oaks are three key principles...

Passion

We care passionately about aesthetics alongside functionality. This begins with the design process and carries right through to the creation of the property. Both as a company and a family we think, live and breathe building.

Thought

Thinking about how the home will be used enables us to design and build an exacting product. Through reasoning and imagination we have created a unique development of luxury homes.

Integrity

The key word for us in explaining how we approach a development like Chewton Oaks is integrity. The details at the design stage; the quality of materials chosen; the craftsmanship during construction.

We endeavour that each and every home looks fantastic and lasts a lifetime!
