About the location....

Leighton Buzzard is a thriving market town with a twice weekly market along a mostly Georgian High Street. The town is becoming well known for its convenient location for both London and the North and now provides a variety of traditional family-owned local shops, cafes, hairdressers, dentists, doctors, vets, pubs, restaurants and banks together with Tesco, Waitrose, Marks and Spencer, Morrisons, Homebase and Aldi to name a few.

On the doorstep of the building is the vibrant high street so there is a high amount of pedestrian footfall passing by every day which would enable the business to take great advantage of.

Nearby is the City of Milton Keynes which provides superb shopping and leisure facilities including the impressive Xscape Centre housing the ski dome, an excellent theatre with regular shows, many restaurants and renowned purpose-built shopping complex.

The position of the building is also just a short walk to the mainline train station which provides a direct link into London Euston in approx 30 minutes, aswell as being within a short drive to popular linking roads like the A5, A4146, A421 and the M1.

The building comes set over three floors with an additional large basement level. The grounds floor currently operates as a restaurant with a generous L-Shaped seating area, as well as a servery and bar area, gents and ladies toilets, a kitchen with stairs down to the basement/cellar and a rear lobby.

The first floor has four double bedrooms as well as two bathrooms, an additional kitchen and a store room. Stairs then lead up to the attic which offers further space for use as offices, storage or further rooms should it be required.

In total the property has an approximate square foot in excess of 3,000 feet. The property is for sale and not any part of the car park although there would be a right of way granted to the restaurant side door (street side of the gate) as well as one parking space with kitchen access available at an cost per annum.
