Located within the popular Brooklands development in Leighton Buzzard is this well presented three bedroom semi-detached Chalet Bungalow with a garage, driveway and a generous rear garden, offered without an upper chain making it ideal for those wanting a quick move.

The property would make a perfect family home as falls within excellent school catchments for all age groups, aswell as having convenient access to Leighton Buzzard's town centre, the mainline train station with services to London Euston, and major road links like the A5 and the M1 motorway, making it suitable also for commuters.

The adaptable, flexible and spacious layout offers a blank canvas, allowing buyers to design and customize the property entirely to their vision.

This impressive property boasts generously proportioned rooms throughout, with accommodation arranged over two floors, offering a flexible and versatile layout that can be tailored to suit a variety of lifestyles and needs.

To the ground floor there is an entrance hallway with a handy storage cupboard, a cosy yet comfortable lounge with sliding patio doors leading to a fantastic conservatory which could be used as a dining space or additional sitting room. Additionally there is a separate modern fitted kitchen, double bedroom and a shower room.

Stairs rise up to the first floor landing where there is a convenient WC, a master bedroom with large eves storage accommodating the gas boiler and third double bedroom.

The property sits on an generous sized plot with ample space to add extensions should it be needed. At the front is a large driveway which provides off road parking for multiple vehicles, enclosed by a low brick wall and border plants. There is a timber gate leading to the back garden, aswell as a door into the garage at the side.

The rear garden is fully enclosed creating a high degree of privacy, mainly laid to lawn with paved patio seating space and mature planted borders, trees and shrubs. There is also courtesy door into the garage and a storage shed to remain.

There is ample space for parking which includes the front and rear driveways as well as in the garage if desired.

The property has mains water, sewerage and drainage connected. Heating is mainly by way of electric storage heaters, the hot water and towel rail are mains gas powered by a wall mounted boiler. There is mains electricity connected.
