7 BEDROOM GEORGIAN TOWNHOUSE WITH GRANNY FLAT

No forward chain. The property comprises a beautifully presented five storey Georgian house which incorporates a self contained one bedroom basement flat (see Agent's Note 2). The house stands in a quiet residential road close to Maidstone town centre with the immediate area having excellent local amenities. What the owners say -

"This has been the perfect family home with so much space, designer open plan kitchen with precious stone island, which is in the heart of home accessing the garden with a water feature pond. Fantastic location walking distance to Outstanding rated schools, parks, stunning riverside walks, forest trails, close to town & train stations for London. Works very well with our 3 sons having their own floor & bathroom. The adult floor with bedroom and living space. And top floor with guest bedroom and office. The self-contained modern basement flat is a handy source of income. Plenty of storage space for bikes to explore the stunning countryside & local quaint historic villages. It's on a quiet road with wonderful neighbours, very safe and quiet, yet walking distance to everything which we love. The nearest train station is 5 mins walk with fast trains to London under an hour.

Maidstone is a buzzing town, lots going on for all interests. A great town centre for shoppers, food and entertainment, we love the quiet pedestrian only spaces and parks.

This magnificent historic spacious property is perfectly located to take advantage of everything Kent has to offer with lots to do, great schools, stunning countryside, easy access to the seaside, and lots of space makes this the perfect family home."
