Dating back to the 1700s, the home is brimming with local history & rests within private, mature grounds in a conservation area that perfectly balances seclusion & solitude, whilst conveniently being within easy reach of the village's numerous shops, amenities, excellent schools and motorway transport links. The home has been completely transformed into the bespoke, luxurious living space it is now. Tremendous care has been taken to retain the home's Georgian style, whilst sympathetically bringing a very stylish & contemporary sensibility to the finish. The highest quality of fixtures and fittings has been used throughout & the result is a genuine one off home. The property is arranged across 3 floors and provides 7 bedrooms, 4 reception rooms and 5 bathrooms. Each room has been finished and decorated impeccably, with the works including complete re-plastering, a full re-wire, underfloor heating throughout the ground floor and in every en-suite, a superb high spec fitted kitchen designed & installed by the Authentic Kitchen Co Knutsford, plus luxurious bathrooms, en-suites, floorings & a brand new, highly efficient Biomass heating system installed. Other highlights include; the former chapel to the side which has been cleverly converted into a flexible Orangery with feature burner, a gym, cinema room plus a simply exceptional master bedroom with wonderful walk-in wardrobe and an extravagant en-suite bathroom. Externally the home is accessed through secure electric gates and opens into a superb circular driveway. There is a spacious 600 SQFT detached garage, beautifully maintained formal gardens that wrap around the property and various stone outbuildings and walls, some of which date back to the 1300s. Our clients have also created a trendy outside BBQ / entertaining area with inset seating, covered pergola, stunning stone patios & a breathtaking stone wall with glass balustrade. This is a true one off property and early viewings are absolutely essential to appreciate the quality on offer.
