The property itself is an eye-catching traditionally styled detached home that has benefited from a handsome rendered facade & a sleek, contemporary finish internally. It has been transformed from its original design, with a third floor added by a professional loft conversion, creating a total living space of nearly 2100 square feet. The back of the home features an open plan kitchen diner, which is the perfect space for family life and socialising and is equipped with elegant handleless units, matching worktops and integrated appliances, while the dining area has French doors that open to a stone patio / terrace for outdoor living and dining. The kitchen diner is the main hub of the home, where families can cook and dine together and entertain guests. The home also features a reception hallway with a cloakroom/WC, a gym/office room and a large lounge with a feature fireplace. The lounge is a cosy and comfortable space to relax and enjoy the warmth of the fire. On the first floor, there are four double bedrooms, a luxury family shower room and an ensuite to the main bedroom. The main bedroom is a spacious and elegant retreat with a private shower room. The second floor can be accessed from a staircase on the landing and has two spacious rooms with storage. These rooms are versatile and can be used for various purposes, such as a home office or guest bedrooms. Other benefits include gas central heating and full double glazing, which make it energy efficient and comfortable. The home is a stunning and spacious property that offers a high-quality living experience in a desirable location.
