What The Owner Says...

“One of the things we have loved most about living here is the house’s unique position right on King’s Pond, giving us a truly special and peaceful setting every day. The village shop and pub are only a short walk away, and the community is amazing – friendly and welcoming. It’s been a wonderful place to raise a family, with good schools nearby, plenty of countryside walks, and a real sense of history all around the village. The house itself has been a comfortable, easy-to-maintain home that has given us the best of both village life and quick access to Wallingford, Henley, Oxford and Reading.”
