Sprinkle Farm, The Street, Swingfield, Dover

Charming and spacious period cottage with double garage, generous parking and delightful gardens. No chain

Situation

This super property is well located in this delightful rural hamlet with open countryside to the front. There are a number of villages within easy reach including Densole, Hawkinge, Elham, Lyminge and Barham. These offer a good variety of services including shops, schooling, public houses, doctors, pharmacists, sport and recreational amenities. To the South, on the coast, you will find Folkestone and the Channel Tunnel. To the North, accessed via the A260 connecting to the A2, is the cathedral city of Canterbury. These both offer an extensive range of facilities together with mainline train services to London. The Channel port of Dover lies to the South East providing further means of access to Europe.

The Property

Ivy House is a beautifully presented period cottage that seamlessly blends timeless charm with elegant modern updates. It dates back to 1806 in the main, boasting a striking brick and flint façade beneath a Kent Peg tiled roof. The property enjoys a tranquil setting among just 21 individually styled homes in a quiet and rural location, offering a true sense of village community. While already a substantial home, Ivy House also presents exciting potential for further expansion, as the double garage was constructed to allow for a first-floor addition, if desired or needed. Inside, the layout is designed for both comfort and versatility with the ground floor featuring four reception rooms, kitchen/breakfast room, utility room, and a shower room, providing ample space for everyday living and entertaining. A super addition to this already lovely home is the rear family/garden room, a fabulous space filled with natural light from its vaulted ceiling, exposed timbers, triple-glazed windows, and Velux roof lights. From here bi-fold doors seamlessly connect the indoors to the paved sun terrace, creating an inviting space to enjoy the pretty gardens. Upstairs, there are three well-appointed bedrooms and two bath/shower rooms. This is a rare opportunity to own a charming countryside retreat in an idyllic yet well-connected location.

Outside

This super family home is set within generous gardens and grounds of just under ¼ acre offering a beautifully landscaped outdoor space designed specifically for relaxation, bird watching, as well as being ideal for an avid gardener and veg grower. Predominantly laid to neat lawn and complemented by a greenhouse, a productive vegetable plot, and a spacious sun terrace the garden becomes an ideal place to enjoy the picturesque view of the 13th-century St. Peter's Church.

For parking and storage, the property benefits from a double attached garage with electric remote roller doors and full-height loft space, specifically designed and built to allow for future conversion (subject to necessary planning permissions). To the front is a brick-paved driveway for several vehicles while in addition to this parking there is also a single driveway to the other side of the property with gated access, providing parking for a further 1-2 vehicles.
