386 Canterbury Road

Densole, Folkestone

A spacious bungalow set well within its own generous gardens, featuring a detached garage, workshop, and private driveway. Now in need of some updating, this property offers excellent potential.

Situation

This property is set well back from the Canterbury Road at Densole. Close by are a number of walks and rides over surrounding countryside. The village of Densole provides a variety of amenities, including Post Office/Stores, Public House and Riding Stables. The village of Hawkinge boasts a large variety of essential amenities to include Tesco Express, Lidl Superstore, two Pharmacies, Doctors, Dental Surgery, two Primary Schools, Post Office and an excellently equipped Care Home. Leisure and socialising activities within the village include Community Centre, Village Hall, Mayfly Restaurant, Coffee Shop, the White Horse Public House, Cat and Custard Pot Public House, Take Away outlets and several riding establishments. A bus service runs to both the coastal port of Folkestone to the south and, to the north via the A2, the Cathedral City of Canterbury. Both offer excellent shopping, recreational and educational facilities, as well as main line train services to London. The High Speed Rail Link is now fully operational reducing the travel time from Folkestone to London St Pancras via Ashford to some 53 minutes! Also within a short driving distance of the property is access to the Channel Tunnel terminal at Cheriton and the M20 motorway.

The Property

This deceptively spacious bungalow sits within generous gardens on all sides, offering excellent potential for development (subject to the usual consents). The current accommodation is light and airy, with entry through a galley-style kitchen — practical and clean but now ready for updating, this leads into a charming timber breakfast room with large windows overlooking the gardens. A hallway connects to the bathroom along with a deep storage cupboard that houses the gas boiler. The spacious sitting/dining room features a central fireplace and a flight of stairs that go up to a loft room with further generous attic space, offering exciting scope for conversion. On the ground floor, you'll find a large principal bedroom with dressing room and two additional bedrooms, one with access to

a conservatory. With its generous grounds and adaptable layout, this property is brimming with potential and invites vision to transform it into a truly stunning home.

Outside

The gardens gently meander around all sides of the property, beautifully laid to neat lawns edged by extensive borders filled with mature shrubs, trees, and seasonal plants, offering a private and well-established outdoor space. A useful greenhouse is included, along with a couple of built-in sheds — perfect for storing all the gardening tools needed to maintain these extensive gardens. A spacious detached garage with an added workshop provides excellent additional storage or hobby space, while the driveway, accessed from the side, offers parking and completes the appeal of this charming and versatile home.
