

HERBERT CRESCENT

KNIGHTSBRIDGE SW1

A grand Victorian house built in the 1890s which has been newly refurbished to a high standard of specification by the Cadogan Estate.

Accommodation

The house is arranged over six floors and includes an imposing drawing room on the first floor and an extensive terrace.

An impressive principal bedroom suite spans the entire second floor and four further bedrooms on the third and fourth floors make for a conventional and luxurious family home.

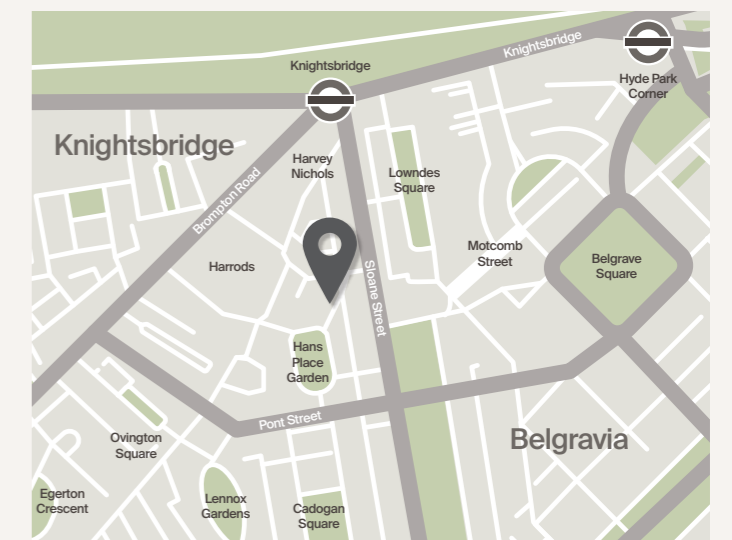

A self-contained bedroom on the lower ground floor could provide either accommodation for staff or a further guest bedroom.

- Entrance hall
- Dining room
- Kitchen
- Principal bedroom with en suite bathroom/ shower room and dressing room
- Four further bedrooms with en suite bath/ shower rooms
- Bedroom with en suite shower room and kitchenette
- Drawing room
- Wine cellar
- Utility room
- Two WCs
- Three vaults
- Terrace
- Access to Hans Place Gardens, subject to an annual fee

Location

Herbert Crescent is located immediately north-east of Hans Place. To the north is Knightsbridge, to the south is Pont Street, to the east is Sloane Street and to the west is the Brompton Road.

The property is located on the eastern side of the street close to the junction with Hans Crescent. Its convenient location will allow residents immediate access to the varied amenities of Knightsbridge and Sloane Street with the world famous Harrods located approximately 144 metres from the house.

- Service areas provide access to the services on the roof
- Large walk on roof light provides daylight to the lobby

External Terrace

(ACCESS FROM FIRST FLOOR LANDING)

- A granite paved external terrace with subtle low level lighting provides amenity space to the rear of the property

General Specification

ORIGINAL FEATURES

- Existing internal features such as the staircase and timber panelling have been retained and faithfully restored
- The external facade has undergone extensive work to restore and enhance original period features such as the terracotta mouldings, lead-work, intricate brick chimneys and railings

HEATING AND COOLING

- Daikin units and controls are installed in all bedrooms and living rooms to provide comfort cooling
- Discrete Hudevad radiators provide the heating

SUSTAINABILITY

- BREEAM Ecohomes guidelines have been incorporated to upgrade the buildings performance and create a sustainable, energy efficient building
- Traditional timber double glazed windows with weather seals have been installed throughout
- As part of the Ecohomes requirement an accessible Home User Manual has been produced

UPPER FLOOR BEDROOMS

- Comfort cooling
- Built in Poliform wardrobes
- Power sockets, data, telephone and TV points ensure connectivity and options for using the rooms as studies or home offices

- Lano Ultimo Collection, Mayfair velvet carpet, colour MFV.850 Moonbeam

UPPER FLOOR BATHROOMS

- Electric underfloor heating
- Contemporary Hansgrohe shower fittings and taps
- Duravit and Bette sanitary ware
- Chrome Bisque towel rails
- Custom made cabinets with heated mirrors and concealed accent lighting
- Portuguese Moleanos limestone stonework
- Majestic shower and bath screens

JOINERY AND WARDROBES

- The Joinery has been crafted and assembled in the UK by Denne and in Italy by Poliform
- The joinery has been selected and designed to suit each individual space

IRONMONGERY

- Discrete concealed chrome hinges are installed throughout the property
- High quality chrome door knobs and window ironmongery provide sharp traditional details, complimenting the door panelling and architraves

LIGHTING

- The lighting within the bedrooms and living areas is centrally controlled via the RAKO system which allows customised scenes and dimming levels to be programmed to the user's requirements
- Retractable light switches in the bedrooms allow for the lighting to be controlled from the bedside
- Pendant light shades by designer George Nelson
- Large bespoke Andy Thornton lampshades are provided within the living areas

- John Cullen spotlights and wall lights installed throughout
- The external lighting is operated via presence detectors and can be time programmed

ALARM AND ENTRY SYSTEMS

- Centrally controlled intruder alarm system with presence detectors
- Complete centrally controlled fire detection system with smoke detectors in each habitable room, all lobbies and service/plant areas
- BPT video intercom system monitors are located on each floor enabling control of the main entrance door to allow visitors to enter

CONNECTIVITY

- The installed Sky and Hotbird satellite dishes allow for connections to Sky, Sky+, Freeview, Freesat, Hotbird and free to air TV to each bedroom and reception room. (Tenants will need to subscribe and install service providers Sky box and other equipment)
- FM and DAB radio outlets installed in each reception room and bedroom
- Data points for internet connectivity and telephone points installed in each reception room and bedroom. (Tenant will need to subscribe and install service provider's router and other necessary equipment)
- Home cinema provision via 7.1 channel speaker cable outlet array within the media room back to cinema hub position under the stairs (connections provided only, tenant to install own equipment)
