Location

Woking town centre is a modern and contemporary town that has been the subject of very significant investment in recent years and in fact continues to be so. The result of this is a busy and thriving centre with a wide and eclectic array of bars, cafes and restaurants as well as a good deal of shopping opportunities not least of which is the Peacocks centre which is also home to the New Victoria theatre and multi screen cinema. Woking has what is widely regarded to be one of the best commuting rail stations in the south east as it runs a very fast and extremely frequent service into Waterloo (23 mins) and here you will also find a very efficient coach service to Heathrow airport. In the wider area there are areas of open space and woodland which make for excellent walking and cycling opportunities and a great many highly regarded schools in both the private and the state sector.
