A Simply Stunning Victorian Home In Show Home Condition.

This exceptional Victorian detached residence has been meticulously refurbished to an extraordinary standard, offering a rare blend of period character and contemporary luxury. Tucked away on a highly sought-after tree-lined side road, just moments from the town centre, the property provides an enviable setting for modern family living.

Arranged across three floors, the accommodation has been completely reimaged following an extensive back-to-brick renovation, including new wiring, plumbing, plasterwork, flooring, and finishes throughout. Every detail has been thoughtfully considered, with Fired Earth tiles, CP Hart bathroom suites, stone shower trays, underfloor heating, and CAT 5 cabling enhancing the home's refined specification.

At the heart of the house is a spectacular 'Deco' kitchen and utility room, designed with clean modern lines, a central island beneath an overhead skylight, and a striking mirrored unit concealing top-of-the-range Gaggenau appliances. Bi-fold doors extend this impressive space onto the garden, creating a seamless flow for entertaining while enjoying far-reaching views. Four generous double bedrooms are complemented by four beautifully appointed bathrooms, ensuring ample space for family and guests alike.

Externally, the home benefits from an attached garage with power and light, along with an in-and-out driveway providing extensive off-street parking. Planning permission has also been granted for a double garage with an additional storey above, enabling the home to expand to six bedrooms with extended living space if desired. Provisions for plumbing and wiring have already been installed, offering an exciting opportunity to further enhance this outstanding property.

This is a truly remarkable home that balances timeless Victorian architecture with the very best of modern design and convenience — an ideal retreat for family life in a prime location.
