OUTSIDE

Simply put, around 3 1/2 acres of stunning, private and unspoiled gardens and grounds and woodland with the enviable benefit of a stunning lake, home to a wonderful array of nature. Wild Canadian Geese, Ducks and Moorhen are lucky enough to call this wonderful place home, with a number of birds revisiting year after year.

The grounds of the Brooks are accessed directly behind the main residence with a five bar gate giving access onto a large granite chipped driveway which runs the length of the property and circles one of the outbuildings, providing parking for comfortably a dozen or more vehicles. This area leads directly onto an enormous lawned area of garden with a run of vegetable plots and a poly tunnel. Adjacent to this area is a sheltered and charming meadow, tree lined on three sides. A lovely blossoming small Orchard of growing saplings. Beyond the meadow is a gentle rise and then the following embankment leads directly to the stunning lake which is home to a charming timber Lakeside house which provides shelter and a timber decking suitable for outside dining by the lake. Beyond the lake there is a glorious woodland area, Full of bluebells at this time of year.

Directly to the front of the property there's a stunning manicured formal garden. Access from the conservatory or through the patio doors leading out from the sunroom there is a stunning stone paved terrace area with Ample space for outside dining. A couple of gentle steps lead up to the lawned garden. The main garden is predominantly laid to level lawn, with a range of stunning plants flowers shrubs and trees, all bordered by one of the natural brooks which runs alongside the garden. This beautifully manicured garden enjoys the sun all day and benefits from a very high degree of privacy and is stunning in its design. There's a superb array of flowers, plants, shrubs and bushes. Flanking the perimeter of the front garden there are range of outbuildings. There is a timber summerhouse with decking area to the front which is currently utilised as a workshop. There is also an adjoining timber shed providing ample external storage.

OUTBUILDING

A generous and versatile outbuilding which is currently used for storage of lawnmower and further outdoor tools. However, there appears to be tremendous scope for conversion to a further detached annex subject to any necessary consent. Currently internally there is a utility area with Belfast sink with cupboard units surrounding and above. It was also a separate WC with extractor fan and a wall mounted shower unit. attached to the outbuilding there is a link to for the storage of machinery along with a block bill shed to the side provided further storage.

Between the outbuilding and the main house there is also an approximately 12' x 8' greenhouse with concrete base.
