ST IVES

In recent years St Ives has become one of Europe's premier holiday destinations, famed not only for its beautiful beaches and coastal paths but also for the maze of narrow, cobbled streets packed with restaurants, galleries, cafés and local bars. There are five sandy beaches, including neighbouring Carbis Bay, three of which are award-winning, blue flag beaches; the coastal paths provide a treat for walkers and bird-watchers alike. St Ives is just 4 miles away from the A30 which links into all the major market towns and Cathedral city of Truro.

THE PROPERTY

Located on the harbour front and offering stunning, uninterrupted views out across the harbour, Pedn Olva point, Pothminster beach and across to Porthkidney Sands, The Towans and Gwithian. The home is presented to a very high standard following an extensive refurbishment. The accommodation is set over four floors. The newly installed quality, large fitted kitchen/dining room creates a great family or entertaining room and offers unprecedented views into the harbour and beyond. The master suite is stunning, with a large ensuite bathroom with a free standing copper bath where you are able lay back and relax whilst looking across the harbour. The living room is located on the top floor and from the double opening patio doors, access out onto the decked balcony terrace where you are able to take in the full vista of the harbour and bay of St Ives.
