OUTSIDE

One of the main features of this property is the good size garden (double size plot) which surrounds the property. The garden offers a wide mix of mature shrubs and bushes with a large feature tree in the centre of the garden. There is a detached single garage and ample off road parking.

A driveway which is owned by the property and accessed via Church Close.

Given the size of the plot the property sits on, there could be great potential to redevelop the site subject to obtaining the relevant planning permission.
