ST IVES

In recent years St Ives has become one of Europe's premier holiday destinations, famed not only for its beautiful beaches and coastal paths but also for the maze of narrow, cobbled streets packed with restaurants, galleries, cafés and local bars. There are five sandy beaches, including neighbouring Carbis Bay, three of which are award-winning, blue flag beaches; the coastal paths provide a treat for walkers and bird-watchers alike. St Ives is just 4 miles away from the A30 which links into all the major market towns and Cathedral city of Truro.

THE PROPERTY

Located within the heart of Downlong, this large cottage is set over 4 floors and is presented to an extremely high standard. The large family kitchen dining room creates the ideal entertaining or family dining area. The first floor offers a large living room with access to the front onto the balcony where you are able to enjoy the summer sun or just watch the world go by. There is access to the rear onto Teetotal street. On the second floor are two excellent sized double bedrooms and a shower room. From the master bedroom on the third floor are stunning views into the harbour and across to Porthminster Point and beyond to Porthkidney Sands along with a side window looking out into the bay. The fourth bedroom also offers a far reaching view out into the bay and across towards Carn Brae. To the front is an enclosed courtyard with an outside tap creating the ideal space to wash the sand off after those long beach days. Currently run as a successful holiday let.
