ST GILES PARK, CRINGLEFORD

Welcome to St Giles Park, Cringleford, where community lies at the heart of everything we do.

Thoughtfully designed, every aspect of this development has been crafted to create the perfect environment for modern living. From the layout of the neighbourhood to the careful positioning of homes, every detail has been considered to encourage connection and comfort.

Our homes provide extra space, abundant natural light, and a higher specification than you would expect. Marrying traditional architecture with the innovation of modern building techniques, these homes are designed to look beautiful, run efficiently, and offer an exceptional living experience.

A Place to Thrive

St Giles Park is already a growing, vibrant neighbourhood, with 201 of the 348 planned homes completed. Central to its vision is the creation of a well-connected community supported by essential public infrastructure and amenities. Also completed is a brand-new sports pavilion, two football pitches, a pre-school nursery, and EV-charging parking facilities - all designed to bring people together and enhance everyday life. These amenities, just a short stroll from your doorstep, make St Giles Park more than a place to live - it's a place to thrive.

Future-proof Connectivity

At St Giles Park, every home benefits from fibre optic broadband directly connected, offering a choice of broadband carriers - a unique feature among new developments in Norfolk.

A Perfect Location

Nestled in the sought-after location of Cringleford, St Giles Park provides the best of both worlds. You're just moments away from Norwich's vibrant city life and Norfolk's stunning countryside and coastline.

For commuters and travellers, the location couldn't be better. With quick access to the A11 and A47, you're well connected to London, the Midlands, and beyond. The Cringleford bus interchange, a short walk away, offers easy links to Norwich city centre and further afield.

Education & Employment Excellence

Families are well-served by local schools, Cringleford Primary School and Hethersett Academy and independent schools such as Norwich High School for Girls and the City of Norwich School also offer further education options.

Professionals will appreciate the proximity to Norwich Research Park, Norfolk & Norwich University Hospital, and the University of East Anglia - all just a mile away. For cyclists, dedicated paths provide safe, easy access to these institutions.

MORE THAN JUST A HOME

St Giles Park, Cringleford has been designed to provide an environment for residents that combines stylish and spacious homes with a location and amenities that make it a great lifestyle choice. The properties are well spaced out and there are numerous green spaces. There are also sports facilities such as football pitches and play areas for children.
