A substantial four/five-bedroom chalet bungalow requiring improvement with separate annexe and stabling in a superb setting of 1.12 acres (stms) in the popular village of Ingham.

£575,000

DESCRIPTION

Oaklee comprises a detached chalet bungalow with a separate detached annexe and stable block in the sought-after village of Ingham. The whole occupies a good plot of 1.12 acres (stms) but would now benefit from general improvements and redecoration throughout. The whole is offered to the market with no onward chain.

The property is approached at the front into a spacious hall serving the kitchen, 21' sitting room, family bathroom and three bedrooms with the principal bedroom enjoying an en-suite shower room. Off the sitting room lies a garden room with access to the gardens and there is also a utility/laundry room.

On the first floor the staircase leads up to a small landing area with study/bedroom five, an upper sitting room and a further double bedroom.

Oaklee is approached at the front into a large shingled hard standing with parking available for a number of vehicles which lead up to the garage and annexe. The annexe is a superb component of the whole and any buyer has the potential to derive an income or alternatively look at a multi-generational living opportunity. The annexe is accessed at the front into a kitchen dining living room with a shower room and bedroom. Adjoining the annexe is the garage with power and light and leads through to a workshop measuring 29'8.

The gardens are segregated into two main areas; the gardens associated with the property have been well maintained and are lawned with various herbaceous shrubs and are

importantly enclosed with wire fencing and a five-bar gate providing access into the paddock.

The paddock is delightful and benefits from a number of fine trees within the boundary but are apparent on the curtilage and provide a good screen from neighbouring fields. For those interested in animals, particularly horses, there is a superb stable block with a paved run-out.

The whole amounts to 1.12 acres (stms).

Services - Mains water, mains electricity, mains drainage, oil fired central heating.
