SOMETHING OUT OF THE ORDINARY... This unusual semi detached Grade two listed THREE bed period property is situated on the High Street in Eckington only a short walk from all the local shops and amenities. The property was built in the 1600's and still maintains some of its original and unusual features. The property has a large kitchen/diner with a pantry, plumbing for a washing machine, cooker and plenty of space for a large fridge freezer and dining table. Moving through to the front of the property brings you into the lounge diner which is of a comfortable size, through a doorway brings you into the hallway with the front door and a staircase up to the first floor, on this floor you will find the first double bedroom and the bathroom with white suite and shower over bath, there is another staircase that leads up to the second floor and a second double bedroom. Go back down to the first floor landing and you will find yet another staircase that leads back up to the second floor again but this time to the third double bedroom. The property also benefits from Gas Central Heating running off a combi-boiler. To the front is a garden , to the rear is a courtyard with stores.

Please note the property has no off road parking.
