To the ground floor the large and welcoming entrance hall leads into an open plan dining area. The spacious sitting room has a feature fireplace, bay window to the front and doors to the conservatory with a tiled floor and door to the garden. The downstairs cloakroom has an internal window to the utility area.

The kitchen/breakfast room has a range of base and wall units in limed oak effect, one and a half bowl sink with views to the garden, gas hob, double electric oven and space for fridge freezer. There is a separate study area with a boiler cupboard and integral door to the double garage with power and light for utility appliances if wished and a glazed door to the rear garden.

To the first floor are four bedrooms (three double) and a family bathroom.

Bedroom one has an en-suite bathroom and a wide range of built in wardrobes, cupboards and bedside units.

On the landing there is a large window, spacious airing cupboard and access to the loft with pull down ladder and light.

To the rear, the garden is mainly laid to lawn with mature shrubs and trees; close boarded fencing to two sides and an attractive brick wall to one side affords privacy. To the front the tarmac drive provides off-street parking and access to the double garage with an electric door. The front garden has mature planting providing screening from the road.
