This imposing five-bedroom architect designed property is set in delightful grounds of approximately 0.5 acres, and offers 2.745sq ft of living space, arranged over three floors.

To the ground floor, a spacious tiled entrance hall leads to a charming sitting room with fireplace and bi-fold doors to the garden. There is a separate family room with front aspect and both rooms have beautiful wooden flooring. The high gloss well-appointed kitchen/dining room has built-in appliances including an induction hob, two ovens and dishwasher, with space for large fridge-freezer, plus wine cooler and feature lighting above a large island with a double sink. Bi-fold doors span the entire width, opening onto a stunning terrace, the perfect space for entertaining. Separate large laundry/utility room. A contemporary shower room completes the ground floor with underfloor heating throughout.

To the first floor are four bedrooms. The principal bedroom has a dressing area, fully tiled en-suite shower, views to the rear and a mezzanine storage area accessed from the loft. Bedroom two also has a fully tiled en-suite shower room and the family bathroom features a large bath with shower over, and double wash basins. Bedroom four has doors opening onto the garden and the generous landing also has a door to the balcony. A large walk-in airing cupboard completes the first floor. Bedroom three on the second floor with an en-suite shower room is perfect for teenage children or guest accommodation.

To the front, this attractive property is set back from the road and has a detached double garage with two electric doors. The garden is mainly laid to lawn and features a variety of mature trees. The secluded, paved, walled terrace to the rear is a particular feature, completing this impressive newly built family home.
