There is ceiling coving, a feature stone Inglenook style fireplace with a cast iron log burning inset on a stone hearth. From the reception hall the dining room can be found, which also has patio doors to the rear elevation and garden beyond. There is a handy storage cupboard which gives access to a guest WC, which has a WC, pedestal wash hand basin and a window to the front.

The breakfast kitchen has a window to the rear elevation, an excellent range of eye and base level units and drawers with worktops over, a Neff oven, four ring electric hob with Neff extractor hood over, a built-in dishwasher, display cabinets, sink and drainer unit taking in the view of the garden. There is space for a fridge freezer and the flooring is tiled. A door provides access to the utility room, which in turn gives access to the rear elevation. There is plumbing for a washing machine and tumble dryer and further storage space. Opposite is a study with a window overlooking the front.

An inner hallway has ceiling coving and gives access to the bedroom accommodation. To the far end the master bedroom can be accessed, which has a window to the front elevation and is open to a substantial dressing area with an excellent range of built in wardrobes and a window overlooking the rear. The ensuite has a window to the rear elevation, low flush WC, pedestal wash hand basin, shower cubicle, contemporary floor to ceiling radiator, spotlights, fully tiled and a door to the double garage. Bedroom two has a window to the rear elevation and enjoys views of the garden. It has ceiling coving and built-in wardrobes. The bathroom has a window to the rear elevation, a panelled bath with shower over, pedestal wash hand basin, low flush WC, built in cupboard and part tiled walls. Completing the internal accommodation is an airing cupboard providing linen storage space.

Outside

The property is approached via a private driveway, and which a neighbouring property has right of access over. A five-bar wooden gate leads into the property's large, gravelled driveway which provides car standing for numerous vehicles. This leads to an integral double garage with up and over door, power and lights and a door into the property via the master ensuite. The front lawned gardens have mature borders and are set behind hedging affording privacy.

Block paved pathways to the side of the property lead to a gated entrance which takes you through to the rear gardens. Here you will find large patio entertaining areas with steps down onto the large lawned area which has raised borders and mature hedging. There is an outside swimming pool needs complete refurbishment. The rear gardens are stunning, mainly laid to lawn with mature flowerbeds, trees, shrubs and plants, all which backs on to some of Northamptonshire's finest rolling countryside.
