The conservatory has tiled flooring, boasts fantastic garden and countryside views and is constructed in both brick and uPVC.

The kitchen has tiled flooring with an excellent range of grey shaker style eye and base level units and drawers with a wooden worksurface over. A stainless-steel sink with drainer is positioned under a window to the side passage. It has a Beko stainless steel oven, with Beko electric four ring hob over under a stainless steel canopy extractor over with cream splashbacks. There is plumbing and space for a slimline dishwasher, space for a fridge. In addition, there is a solid fuel Rayburn oven/back boiler.

From the front elevation a door provides access into the side passage which gives access to the utility area which has matching cabinets to the kitchen with grey worksurfaces. There is plumbing and space for a washing machine, a stainless-steel sink and drainer and a large window overlooking the rear garden. A door provides access to the single integral garage which has power and lighting.

Outside

To the front of the property is a tarmac driveway with parking for up to four vehicles, which leads to a single integral garage with an up and over door. A wall provides a boundary with next door, and a hedge to the front and side of the property provides the other boundary to the front. There is an immaculately kept circular lawned area with mature planted borders. The rear garden has a paved patio area, in part undercover, providing seating and entertainment areas. Steps lead down to a path which leads down the garden. There is a wooden shed and greenhouse. A lawn has matured planted borders, planted to create year-round interest and are beautifully maintained. At the bottom of the garden is a selection of apple, plum, cherry and pear trees. There are also gooseberry and blackcurrant bushes. To the rear of the boundary is a ha-ha, unrestricting the view across simply stunning rolling countryside, and some of the best seen within our Agent's career.

Location

The picturesque village of Gaulby is a small rural village located approximately seven miles east of Leicester city centre. The village retains a strong sense of community centred around the parish church with neighbourhood shopping, leisure facilities, GP surgery and schooling available in the neighbouring villages of Billesdon, Houghton on the Hill and Great Glen. The village is surrounded by some of east Leicestershire's most outstanding rugged countryside yet provides easy access into Leicester and the market towns of Oakham, Uppingham and Market Harborough, the latter providing mainline rail connections to London St Pancras in little under an hour.
