Accommodation

The property is entered via a uPVC front door into a spacious entrance hall which has feature black tiles which runs throughout the ground floor which has wet underfloor heating. Bearing to the left, the entrance hall opens up into the sitting room, which has a window to the front elevation, and patio doors to the side. Adjacent is the bathroom, which has a four-piece suite comprising a panelled p-shaped bath with shower attachment over and a curved glass shower door, a corner shower enclosure, a pedestal wash hand basin with a mirrored cabinet over, a low flush WC, white heated towel rail, an obscured glazed window to the side and tiled flooring.

The dining kitchen boasts an excellent range of black contemporary base level cabinets and drawers with a contrasting white worksurface with tiled splashbacks, and a Belfast sink, all positioned to take advantage of the two windows to the front. In the middle of the windows is a stainless-steel Neff extractor fan and below is a stainless steel four ring gas hob. Other appliances include a Matsui slimline dishwasher, an eye level double oven and grill, a Beko condenser dryer, an integrated Indesit washing machine and a Daewoo American fridge freezer. An island provides a two-person breakfast bar, further cabinets and pull-up sockets. A patio door provides access to the rear garden.

The master bedroom and bedroom two both benefit from mirrored sliding wardrobes. Both share a fully tiled Jack and Jill wet room with a shower, wall mounted wash hand basin, low flush WC, shelving, and a wall mounted vanity mirror.

Stairs ascend to a large first floor storage area which has restricted head height into the eaves. There are five Velux roof lights ensuring a light filled space. There is a cupboard housing the gas fired boiler. To the other end is an open bathroom with a WC, sink and shower enclosure. This whole floor is thought suitable to convert into further bedroom accommodation, subject to a planning consent and building regulations.

Outside

The property is approached by a long, stoned driveway accessed via a gate, which leads to a driveway providing ample parking space. A feature of the driveway is a beautiful mature twisted Willow tree. The low maintenance garden offers a high degree of privacy and has been completely hard landscaped recently by our clients. There are raised planted borders, and the boundary consists of both fencing and brick walls. The outbuilding has double patio doors to the front and single patio door to the side. It has power and houses the CCTV unit and would make a fantastic home office space or gym.
