Accommodation

The entrance hall is laid with Amtico wood-effect flooring in a herringbone pattern, continuing seamlessly throughout the ground floor. Underfloor heating ensures comfort in every room. An elegant uPVC front window and a high security composite front door frame the hallway, beneath which a discreet storage cupboard offers practicality. Exposed wooden beams overhead are accentuated by recessed spotlighting, creating both warmth and character. The property features a HIVE heating system with separate zones enabling upstairs and downstairs to be heated separately, and an integrated alarm system.

To the right lies the living space, flowing openly across the ground floor. Front-facing uPVC windows allow natural light, while uPVC "Crittall" style French doors lead out to the garden. A wall mounted television point, matching beams, and the same high-quality flooring used in the hallway ensure visual consistency and elegance throughout.

The kitchen is fitted with off-white base and eye level wall units, topped with warm wood-effect work surfaces. Appliances include a Bosch fridge/freezer, a built-in Bosch oven and microwave, Siemens induction hob with extractor, Bosch integrated dishwasher, and a stainless-steel sink with drainer. A utility area off the kitchen provides plumbing for a separate washer and dryer and shares the same cabinetry, with one housing the boiler. Spotlights illuminate the space, and a separate guest WC, has matching flooring and spotlights, and completes the downstairs arrangements.

Upstairs, the striking landing features an electric Velux window, exposed beams and metalwork, a cast-iron radiator, plush carpeting, and a versatile space suitable for a small desk or reading nook. The master bedroom is a generously proportioned double with upfront uPVC window, cast-iron radiator, fitted wardrobe, vaulted ceiling with exposed wood and metal framework, and carpeting underfoot. Its ensuite is luxurious, with a walk-in shower, laminate flooring, Constantina-style door, white tiled walls, sleek fixtures, and a chrome radiator.

The second bedroom is also a double, carpeted and fitted with sliding mirrored wardrobes, cast-iron radiator, and the same dramatic ceiling treatment as the master. The family bathroom features wood-effect laminate flooring, an electric Velux window, full-height white tiling, a waterfall shower over a bath, a stylish wash basin with storage, and exposed beams that add character and charm.

Outside

Externally, two vehicles may be parked on the driveway, with additional space to the side of the property. There is a handy communal bin store and external tap.

The garden is beautifully landscaped with a patio entertaining area, low maintenance artificial lawn, bordered by raised planted beds, flanked by contemporary black fencing, and enclosed by a finishing garden wall at the rear, an ideal sanctuary for both entertaining and relaxing.
