Inner Hallway

A light and welcoming hallway, accessed via a double-glazed, obscured UPVC front door. The space features a wall-mounted radiator, ceiling spotlights, ceiling coving, a power point, and a side-aspect obscured double-glazed window, allowing natural light to filter through.

The kitchen includes an integrated one-and-a-half stainless-steel sink with mixer tap, an electric oven and hob with extractor, and space for white goods and a fridge freezer. The room is partially tiled and benefits from a wall-mounted radiator and a rear-facing double-glazed window overlooking the garden.

Shower room

An immaculately presented front-aspect shower room featuring a low-level WC, hand wash basin with stylish stainless waterfall mixer tap, heated towel rail, extractor fan, and an obscured double-glazed window. The highlight is a large walk-in shower with both rainfall and handheld shower heads. Loft access is available via hatch.

Accessed via the sliding doors in the living room, the rear garden boasts a spacious two-tier composite decking area with an adjustable-shade pergola (available by separate negotiation). Steps and a gentle slope lead down to the lower garden, which is mainly laid to lawn and enhanced with mature shrubbery and planters. A concrete section houses a large composite storage shed. The garden is fully enclosed by walls and fencing, with a wooden side gate providing convenient access to the garage and parking area.
