Originally the old Hawkhurst Primary School this exclusive gated development was converted in 2006 to a high specification by Park Lane Homes. Recently refurbished this Grade II listed house offers a unique blend of character together with contemporary luxury and has been thoughtfully updated while retaining its historic charm.

Beyond the electric double gates, allocated parking provides convenience before stepping through the front door into a welcoming entrance. A cloakroom is located off the hallway and steps lead up to the impressive open-plan living and dining area, where high ceilings create an airy and spacious feel. Leading off from the dining area, the newly installed high quality kitchen has been carefully designed to maximize style and functionality.

An elegant staircase ascends to the generously sized double bedroom, complete with built-in wardrobes and a luxurious ensuite bathroom. This beautifully finished space features a modern oval bathtub, a large walk-in shower, and high-quality fittings.

To the front of the property, a charming iron-railed garden adds to the curb appeal of this truly special home. Combining period elegance with modern comfort, this one-of-a-kind property offers a rare opportunity to own a piece of history in a sought-after location.
