

3 Coachgates

Flockton, Wakefield, WF4 4TT

Snowgate are delighted to bring to the market this individual family home which was first built in 2001 with reclaimed stone from a church in Halifax. Boasting four generously sized double bedrooms, the property has been built to an extremely high standard. The current owners have upgraded in recent years to give the ultimate balance of modern and contemporary, using superior quality fixtures and fittings. One of the many highlights is the KC Design House bespoke handmade kitchen. At first view this is a beautiful kitchen, however closer inspection reveals many hidden features. All bathrooms have been refitted with modern high-quality suites and the rear garden has been professionally landscaped with thoughtful planting. This is a truly move in ready home, perfect for entertaining family and friends.
