

Stockwell Park Road, SW9

£2,000,000

Dexters

Stockwell Park Road, SW9

A sensational four bedroom double fronted, detached family home in exceptional condition throughout. Great attention to detail has gone into renovating this Georgian home whilst sympathetically retaining its character and charm.

The ground floor has two elegant reception rooms that are flooded with natural light and benefit from natural wooden floors, gorgeous sash windows and working fireplaces. Stairs lead down to the lower ground floor where there is a well placed window giving a unique sneak peak of the wonderful dining area. The lower ground floor has under floor heating and is very much the vocal point of this classy home, providing great circulation, combining the stylish shaker style kitchen which has Carrara Marble worktop with the extended dining area. Three sets of crittall doors lead out onto a beautifully maintained rear garden. The third reception area has a lovely log burning stove creating a cosy space to relax and unwind. Furthermore there is w/c and a utility room.

Leading to the first floor there is a double bedroom, currently used as an office which benefits from lovely views over the rear garden. The large master bedroom has built in wardrobes and a sumptuous ensuite shower room with nickel-plated fittings. There are two more double bedrooms and a luxurious family bathroom with a roll top bath and separate bathroom.
