## Isaac Way, SE1

The main living space has been cleverly redesigned to maximise the space, allowing plenty of room for dining and a separate seating area, a high spec kitchen, integrated Bosch appliances, premium white quartz countertops and a clear splashback.

The full-length balcony is accessed from both the main living space and the master bedroom, with a south-easterly aspect, and as it is set on the top floor, it benefits from the best of the skyline views, overlooking a private courtyard.

Both bedrooms are generous double rooms, with full-height built-in wardrobes. The master bedroom is served by a high quality en-suite shower room, whilst there is a large three piece guest bathroom, accessed from the hallway.

This is a highly sought after gated development, in a quiet setting, with secure entry, a communal courtyard and step free/lift access. This apartment is sold with two allocated parking spaces.
