Split-Level Three Bedder With Two Patio Gardens Moments From Pimlico - CHAIN FREE.

Described in The Times shortly after its building as 'an elegant and exciting environment for young and old', this Grade II listed modernist red-bricked building takes pride of place along one of Pimlico's mature leafy streets. Beautifully curved and well maintained, the development backs onto a gently upward sloping and lush communal garden. The flats sits on the ground and first floors and enjoys a private entrance, two separate patio gardens and a generous layout. The accommodation comprises kitchen/diner, separate living room, three lovely bedrooms and a bathroom. The location speaks for itself with the endless zone 1 attractions and transport links of plucky Pimlico at your fingertips. Pimlico's Victoria Line station is but a 3 minute stroll. Even closer are the social and boho attractions of Moreton Street. This is a proper lifestyle choice!

A gated front patio garden with tonnes of space for al-fresco dining leads you to your private entrance. You'll find the kitchen/diner facing front over the garden through a wide double glazed window. There's plenty of dining and counter space. An open rear wall offers a glimpse to the living room a half-flight below. This is accessed back through the hall and stretches to the full width of the property. It has a calming rear aspect facing over abundant greenery through three separate windows. A glass pane door opens to the rear patio garden which in turn opens onto that fabulous shared garden. Back inside ascend your stairs to reach a rear facing double bedroom with more leafy views. The bathroom sits next door to this and has a clean white suite. Upward again you reach two more bedrooms. One is a large single and the other a double - both face front toward a pleasant period streetscape.
